

What's Up Wyandot

Leadership Changes Announced

Wyandot County DD has announced the retirement of Superintendent Todd Dilley and the appointment of Amy Myers as the new Superintendent, effective July 1st.

Dilley has served as Superintendent for 23 years, leading the organization through significant growth and change over that period of time. Throughout a 32-year career in the developmental disabilities field, Dilley has served

as a grant writer, program developer, case manager, case management director and Superintendent. "It has been the honor of my career to lead Wyandot County DD/Angeline School for 23 years," said Dilley. "I have been blessed by the people and families we serve, the tremendous team of people I've had the privilege to serve with, and the incredible volunteer board members that I have served under. With the board's selection of Amy Myers as the next Superintendent, the future of Wyandot County DD/Angeline School is in excellent hands."

Myers has more than

17 years of experience at Wyandot County DD, many of those years as Business Manager and most recently serving as the Director of Finance & Operations.

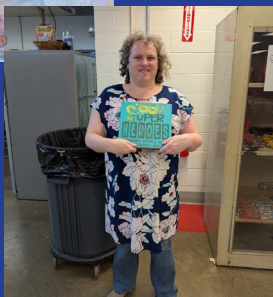

"I am honored to serve as the next Wyandot County DD Superintendent," said Myers. "I look forward to continuing the important work of the agency's mission to help local citizens with developmental disabilities discover, pursue, and achieve a life that is meaningful, safe, and healthy."

Board President Rob McClure has the utmost confidence in the board's selection of Myers stating,

"With Todd's retirement announcement, the board couldn't be more pleased knowing that someone with Amy's experience and knowledge of the services, the system, and the financials is able and willing to take on this leadership role. The consistency of leadership will be valuable to the staff, the board, and most importantly the people we serve."

POW! MARCH WAS A SUPERPOWERED SUCCESS!

March was packed with superpowered events and unforgettable moments as we celebrated Developmental Disabilities Awareness Month!

We kicked things off with our first-ever bowling event, setting the tone for a month filled with community, inclusion, and fun. Throughout the month, we celebrated local Superheroes on billboards and social media: Atila, Carson, Sebastian, and the We Care Team. Watch their videos on our Facebook page and show them some love!

The grand finale? A POW! of color and joy at our 2nd Annual Color Fun Run at Harrison Smith Park! Sunshine, bubbles, and foam made the day unforgettable, and we raised around \$1,800 for Open Door thanks to your incredible support. A huge thank you to everyone who joined the mission and made DD Awareness Month 2025 a true celebration of ability, inclusion, and heroism!

Super Hero Project Coming Soon

In continuing the theme of Every Day Super Heroes, we have teamed up with the Super Hero Project to bring something fun to Wyandot County! Stay tuned this summer, to see some of our friends as their superhero selves! We cannot wait to share these posters with you!

DiD YOU KNOW?

An individual's/family's income has no bearing on eligibility for services from the Wyandot County Board of Developmental Disabilities. Eligibility for services requires documentation of a qualifying disability and the existence of substantial functional limitations, which are determined through a statewide assessment.
